

Notes from Trans Identified Individuals' Experiences of Racism
Table Leader: Dr. Monique Walker-Riley

Introduction

- Positioning self in context
- Read names of murdered Tran's folks from 2017

Discussion of couples where one partner is transitioning and impact of parent transitioning.

Questions

1. Research on building resilience, community, and protective factors for Trans people of color?
2. How to address these topics in teaching?
3. How to navigate intersectionality from a place of privilege?

Come from self-of-therapists and location of self.

Affirmative Therapy.

Action Items

1. Mypronouns.org
 - a. Includes in signature line.
 - b. Sends message of inclusivity.
2. Recognize importance of intersectionality in all that you do.
