Family Communication

Chair: Tara McManus

Tara.McManus@unlv.edu

1. What were your focus groups major activities or accomplishments this year?

- We initiated a virtual accountability writing group one Friday per month in January, February, and March. The Chair poste the schedule and sent reminders through the Discussion Group emails. However, attendance was low with only the Chair and 2 other members attending. So, we discontinued this opportunity.
- Building [teaching & learning resources](#) document
- Launched a survey of the focus group for preference on other ideas the group could initiate. We are awaiting results; they will be discussed at the November Focus Group meeting.

2. What has your focus group done during the past year to further NCFR's inclusion and diversity initiatives?

We have done engaged in anything with intention. Some of the ideas we have listed in the survey as possible actions and contributions for the group in the coming years do seek to further inclusion and diversity initiatives.

3. Please list any concerns, questions, or suggestions.

I will send the results of our survey along with our 2024 Work plan.
